INTEGRUM COMPANIES

A RESEARCH TOOL FOR ANALYSIS OF ECONOMIC AND POLITICAL RISKS RELATED TO RUSSIAN COMPANIES

INTEGRUM COMPANIES service contains data on more than **29 million** companies and private entrepreneurs registered in Russia. Users get instant access to comprehensive information about the company - from registration documents and financial statements to the corporate structure and decisions of arbitration courts.

In one click you can check and evaluate:

- Company details and its structure;
- Connections with state and government officials;
- Connections between companies and people;
- Government contracts:

- Export and import operations;
- Accounting data;
- Financial condition and probability of bankruptcy;
- Risk factors:
- Arbitration cases.

Integrum World Wide Electronic Portrait of Russia, Ukraine and other Post-Soviet States

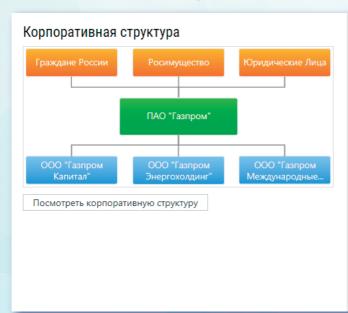

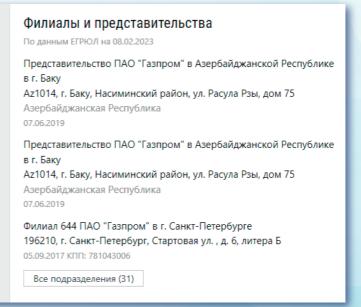

Information from dozens of official databases:

- The Federal Tax Service
- Russian Federal State **Statistics Service:**
- The Central Bank of the **Russian Federation:**

- The Supreme Court of the **Russian Federation:**
- The Unified Federal Register of Bankruptcy Information.

It is possible not only to find specific organizations, but also to select companies by indicators of balance lines, type of company activity, organizational and legal form, etc. All information is presented in the form of graphs and tables, it is possible to export reports in Excel and Word formats, as well as print the selected information. The graphical visualization makes it possible to see the entire structure of the organization, to identify explicit and implicit relationships of founders, management, subsidiaries.

The service allows to get the following information:

- A company's address, its telephone and e-mails when a company was registered;
- The dynamics of the financial condition of a company;
- Presence/absence of long-term partners of a company and their feedback on cooperation;
- Presence/absence of cases of fraud in the history of a company or the past experience of its management;
- Change of the actual address;
- Presence / absence of judicial or administrative proceedings with the participation of a company or its beneficiaries etc.
